8 Large Counties Have A Governor

Glades Lost In Second Primary!

The Glades has lost its historical representation in the House of Representatives — Loy Anderson won by less than 400 votes over Milton Carpenter the Glades representative, in the second primary.

A perusal of the county's voting reveals that Anderson carried 54 of the 100 precincts, with eleven in which the vote was separated by less than 10 votes each. There were two precincts with a difference of 3, 5 and 6 votes each. Two had a difference of 9 votes each. The total was 42 votes; so that a change of 22 votes in eleven precincts would have given them to Carpenter.

Carpenter received a Glades vote of 2,068 and Anderson got 1,014, a two to one vote. Anderson beat Carpenter approximately 600 votes in the 92 other county precincts.

Revealingly, is the vote in particular precincts. Precinct 99, Belle Glade's Lake Shore High School gave Anderson 428 to Carpenter's 135. Delray Beach's Precinct 172, Spady School Cafeteria gave Anderson 459 to Carpenter's 140. Lincoln Elementary School, Precinct 65, Riviera gave Anderson 693 to Carpenter's 108. Roosevelt High School, Precinct 81 gave Anderson 534 to Carpenter's 122. Riviera's Washington Elementary School, Precinct 66 gave Anderson 398 to Carpenter's 58.

Mrs. R. Y. Creech Flies To Medical Aid

Mrs. R. Y. Creech, Sr., flew to New Orleans today, Wednesday accompanied by her husband Bob and two sons, Bob Jr. and Barnes. A heart ailment, evident for sometimes and under treatment by physicians in Ft. Myers, where the Senior Creeches live, has been

Eight of Florida's 67 counties have a governor, with a majority in both the House and Senate. They have nine other "me too" counties with enough senators and representatives to steam-roll all big-city legislation.

Doug Jones Elected JC President

Doug Jones, president of Burnett Finance Co., was elected president of the Belle Glade Chamber of Commerce at the American Legion Hall, where the group met on May 18. Other officers elected were David Spooner, First Vice President; Willie Lee, second vice-president; Gordon Corbin, secretary; Joe Leisheit, Treasurer; Jim Normand was elected State Director.

Elected directors were B. B. Braddock, Clarence Throp, Doug Lockhart, Jim Hutcheon, Parliamentarian was Ray Alston. Bill Aspy was named to Intra-Club relations and Milton McKay, District Parliamentarian.

Thirty members and three guests were in attendance.

Area Elks Clubs Will Observe Flag Day June 12

Flag Day ceremonies will be held on June 12 at the Pahokee Elks Lodge at 2:30 p. m. in observance of Flag Day which is on June 14. The ceremonies will be open to the public free of charge.

The Pahokee Elks will commence Flag Day in conjunction with the Belle Glade Elks and the Clewiston Elks.

All the flags from the first down to the present one will be displayed and the history of each one told. Other plans for the Day will be announced later.

Bowling Reopens

An east coast group reputedly experienced in operating bowling lanes has completed plans for the reopening of the Glades Bowling Lanes, sometime within the next few days.

A formal opening is announced for June 4th, Saturday of next week, with the actual operation commencing just as soon as the automatic workings of the lanes have been replaced and adjusted.

The restaurant in the lanes will be operated, we are informed, by an associate of the group.

Definite details will be carried in next week's HERALD.

A hundred and ninety-four teenagers will participate in "Commencement" in Belle Glade within the next ten days — Commencement, the facing of the realities of life for most.

This weekend will see the class night for Lake Shore High's Class Night, tonight, and Belle Glade High's Class night Friday night.

On Sunday afternoon at 4 p. m. Rev. S. A. Cousin, pastor of Bethel A. M. E. Church, Miami will deliver the baccalaureate to the 88 graduates of Lake Shore High.

On Sunday night, in the Gymnasium, Rev. Richard Roseman, of the Lutheran church, Belle Glade will deliver the Sermon of the occasion to the 106 graduates of Belle Glade High.

The Belle Glade Glee Club will offer two numbers during the Baccalaureate exercises.

Elgar's Pomp and Circumstance will pace the

Processional and Mendelssohn's War March of the Priests will represent the vigor and beauty of youth in it's "Commencement," for the Postlude.

Mrs. Lou Bailey, will officiate at the organ.

Ushers for the occasion will be Pat Bowen, Jane Blumenthal, Ronnie Gerrey, Olga Ortiz, Eddie Vandenberg, Dora Willis and Jane Zump.

Sponsors for this occasion are: Joseph Hayes, Bert Ward, Mrs. Joan Lanier, Mrs. Mary Stevenson and Mrs. Judith Laaksonen.

Tuchakowsky's Meditation will set the key of solemnity and indicate a Future of Purpose as the Prelude.

Vann Is President Florida Elks Assn

In Palm Beach County, the Glades remained loyal to it's friend Hayden Burns, the east coast of the county absorbed the "sweet nothing" of political visions of "our schools" and vague hopes of racial favoritism, to carry the county for the Big County candidate, High, by a vote of 23,889 to 19,289 votes.

The Glades voted for Burns, seven out of eight precincts gave him a vote, a lead of 105,000 votes over Burns; Broward donated a 12,000 lead to Mr. High, while Volusia and Polk each contributed 9,000; Sarasota GAVE with a 5,500 majority, while Palm Beach "looked" with 4,500; a total of 145,000 majority, in votes and in future legislation.

JAMES W. VANN

Thieves Take Car On Street

Mrs. E. D. Humphries parked her Buick on Third Avenue, near the intersection of Ave. 9, as usual, and left it locked.

When she was ready to go home, after the day's work it wasn't there — someone had crossed the wires and drove it away. Alas, in a nearby car a lady's purse left on the seat is reported to have disappeared.

Whether the two have any connection is not known.

The police have some latent fingerprints and are checking their own and other agencies' files for matching.

Mr. Vann has been active

The Florida State Elks Association, Inc., at its annual meeting held in Clearwater, elected James W. Vann of Pahokee as president for the ensuing year. Vann, who has been active in the affairs of the Association since 1949, was elected without opposition.

Mr. Vann has been a resident of Pahokee since 1949. He came to this area as an employee of the U. S. Dept. of Agriculture following his discharge from the U. S. Army in which he served for 2½ years, including 12 months in the Philippines and Japan as a Special Agent in the Counter Intelligence Corps.

He has been employed as Executive Director of the Pahokee Housing Authority, Inc. since 1947.

Mr. Vann has been active in civic affairs, having served as President of the Pahokee Lions Club, as House Chairman for the Pahokee-Canal Point Civil Defense Committee and Red Cross Disaster Committee, as well as being active in the PTA, Chamber of Commerce and other local organizations. He is a Trustee and member of the Official

All-Glades Memorial Day Parade And Services Planned For Belle Glade

Memorial Day Service including a parade and military services in honor of our country's war dead will be held next Monday, May 30th, in Belle Glade.

Government, veteran, and civic organizations from Pahokee, South Bay, Belle Glade will take part in the parade and services.

The parade will include the city commissioners from the three cities and other dignitaries. Units of the 1042nd Florida National Guard Transportation Company will march in the parade, and furnish the Color Guard and Honor Guard, under the command of 1st

Edward Randall. The Glades Guard Unit is scheduled to leave for the annual two week training period on Friday, June 3rd. All 63 National Guardsmen will be in the parade.

Parade time is 10:00 Monday Morning. It will start from N. W. Fourth Street near the Belle Glade High School, proceed along the Hillsboro Canal to the W. 2nd Ave. Bridge where it will cross the canal, and then proceed on West Avenue A past City Hall to Main Street.

The parade will march south on Main Street to McDonald Park, where the service IN MEMORIAM OF

our war dead and in honor of our men now serving our country in Viet Nam and other far-flung military outposts will be held.

Mr. Emmett Roberts, State Representative, service man and well-known Glades citizen, will speak at McDonald Park.

City, county, state, and federal government officials will be closed on Memorial Day, as will Glades schools, banks, chambers of commerce, and many businesses. Those businesses which remain open will let employees off from ten to twelve so that they can participate in the ceremonies, a retail spokesman stated.

Pahokee's Tammy Branch, Palm Beach County Queen, and Hartman Spence Beverly Steele will be in the parade and Memorial ceremonies. County Commissioner

Glades will be one of several honored guests of the Glades Communities.

Speakers of the Memorial Day Services are the Glades Veterans' Organizations, Glades Newspapers, Radio Station WSWN promises full support of the observance, and the various chambers of commerce. The Belle Glade Herald has assigned one of its workers to help coordinate the day activities.

South Bay Warned In Gambling

State Attorney Thomas Johnson repeatedly warned South Bay City Commissioners Monday night that "If you don't do something about gambling operations here, we will," in the public session preceding a closed-door conference with City Commissioners.

"There has been little or no effort to combat gambling operations in South Bay," Johnson said. "If you are unable to cope with it, we won't attempt to curb gambling in South Bay, we will come out."

"The gambling here is the lottery type, no lottery can function without being syndicated, both have to be

laid off, or re-bet with the syndicate. The syndicate has been in the Glades for ten years."

The syndicate moves in two steps, according to Johnson. First the syndicate handles the lay-off. "Then they get greedy, they want it all when it gets bigger. They take over by physical force and threats. They tell local operators, if you don't like it we will settle it at some canal. From now on your take is 25%, ours is 75% percent."

Lovern stated, "We know that two persons are operating in that area, and that person knows who I am talking about."

Both Johnson and Lovern repeatedly used terms and

phrases such as: "If you don't do something about it, we will," and "There has been no pressure here," and "There has been little or no effort to combat it here," and "If you cannot cope with the situation, we will come out," and "We have verified what is already known about gambling here."

A follow-up by the Grand Jury is certain, according to Johnson. "We do not have concrete evidence to convict because some people belong to the Grand Jury, and we know they lied."

Lovern stated, "South Bay does have a problem and we will take care of it if you don't."

"Once in the syndicate never leaves, you will always have a Lottery at the backbone of organized vice. We intend to curtail it so that Palm Beach County does not go as bad as the

two counties to the south," Johnson was told by the investigators.

One reason advanced by Johnson and Lovern for the failure to prosecute, even with the knowledge they claim to have, is the fact that obtaining evidence requires the use of paid informers. A vice squad was promised for Palm Beach County.

Comm. Woody O'Neill asked for the closed-door session, where Johnson and Lovern promised to "name names." Before going into the secret session, Comm. Davis said, "All I want is to be asked. Ask me some questions I may give you some names that you will read about in the newspapers."

Davis remained in conference with the investigators after other commissioners came out from the meeting.

South Bay PTA Installs Officers

Mrs. Richard Murray, Belle Glade PTA official, installed South Bay Elementary School officials at the last PTA meeting of the year last Monday night. Taking the oath of office for the coming year were Mrs. Lester Conway President; Mrs. Byron Walker, vice president; Mrs. O'Neal Walker, Secretary; Mrs. Dick Miller, Treasurer, and Mrs. Lucille Rudder, Historian.

Mrs. Elizabeth Gettys pre-

sented the incoming officers with courage, and Mrs. Conway presented the outgoing president, Mr. Eric Hartline, with a pin symbolizing his past services to the PTA. Mrs. Conway explained the importance of the PTA on the local, state, and national levels, and pointed out that the PTA had had an important part in the continuing federal aid program for school lunches, without which lunches might cost as much as 60c per student.

The fourth, fifth, and sixth grade students gave a demonstration in weight lifting, while Mr. Ouellette, Principal, explained each exercise. According to Principal Ouellette weight-lifting is used in all sports events, and if done properly is of great benefit to athletes seeking top physical condition. Students participating in the demonstration were Russell Walker, Byron Walker, Donnie Scruggs, Dale God-

wins, Larry Walker, Aubrey Walker, Jerry Waldren, Jackie Teale, Domingo Varona, Nicky Walden, and Dennis Martin. Mr. George King led the group in devotion. Mrs. Edna Brannon, second grade teacher, and Mrs. Lucille Rudder, fifth grade teacher, won the room count. Hostesses for the evening were Mrs. Virginia Walker and Mrs. John Cameron. Mr. Ouellette announced that South Bay Elementary

School was host on May 9th to a Glades Area Red Cross meeting at which officers for the coming year were elected. Danny Burns, son of Mr. Richard Burns, Sr., of Belle Glade, and student at Gove School, was elected president of the junior division.

Glades Children Visit Seauquarium

Two hundred and fifty Glades school children and sponsors visited the Miami Seauquarium and Crandon Park Zoo last Saturday, May 14th, according to Rosewald Elementary School Principal Singleton.

Students from Lake Harbor, Bean City, South Shore Labor Camp, Ritta Labor Camp, in addition to South Bay Rosenwald students, made the trip in five Gray Line Buses. Sponsor of the field day was Rosewald School.

Porpoise and sealions eagerly performed water acrobatics for the Glades visitors, and the zoo animals were at the fronts of their cages basking in the warm sunshine and thrilling the school children with their size and coloring.

"Most of the children slept on the way back to the Glades," according to Singleton, "which was a relief for the chaperones."

Miss Janet Critchfield is home for the Summer after having completed two quarters at Mercer College, in Macon, Georgia. She has enrolled at Junior Palm Beach College for the summer session, and commutes weekdays to the College.

Mr. and Mrs. Bobby Garrett have had company for the past week, Mrs. Garrett's mother, Mrs. Bob Holmes, Pahokee, spent last week with the Garretts. Also visiting the Garretts were Mrs. Garrett's sister and family, Mr. and Mrs. Henry McDuffie and children from Ft. Myers, who spent Monday and Tuesday in South Bay.

Mr. Howard Woodham was released from Everglades Memorial Hospital in Pahokee last Thursday, and is home convalescing.

Mrs. James Sconyers and children Nelly, Jimmy and Eddie, and Mrs. Carl Kwasniewski and David spent Sunday at Sand Spit Park near Stuart picnicking and swimming. The group was joined later in the afternoon by Mrs. Sconyers' brother and his family, Mr. and Mrs. Ray Hall from Okeelanta.

Little League Baseball Season Gets Underway

South Bay's Little League Baseball season got off to a sizzling start last Friday under the lights at Jeffers Park.

Sobey Crisp Heart and South Bay Growers opened the season last Friday night, with Sobey Crisp Heart scoring a decisive win, 10 to 8.

Winner of Friday's game found the going a little tougher when they played the South Bay Lion's Team Saturday night. Rain came in

the top of the fourth, with the score at 11 to 4 in favor of the Lion's Team.

The game counts as a game since 4 innings had been played, according to Umpire Thomas Williams. In Friday's game, Sobey Crisp Heart scored the first home run of the season, with two men on base. The three scores put Sobey Crisp Heart in the winning place for the game Saturday following the Lions Club Supper at the Park.

South Bay Accepts Water Plant

South Bay City Commissioners have accepted the city's new water treatment plant constructed at a cost of \$244,688.00 in 1964. The agreement to accept the water plant was hammered out at a special meeting called for that purpose last Thursday night, May 19th.

Present at the Special Meeting were Bert A. Roemer, successful bidder, C. E. Chrichtfield, electrical sub-contractor, and representatives of the consulting engineering firm of Brockway, Owens and Brockway of West Palm Beach.

After the plant was put in operation early in 1965, a number of problems arose which posed difficulties for operational personnel and

city commissioners. Thursday's meeting resolved most of the problems to the mutual satisfaction of all parties.

Primary cause of most of the misunderstandings resulted from the fact that the lowest bid exceeded the total amount of the bond issue, which was handled by Potts and Shepherd, of New York.

The City Commission met with the engineers and Mr. Roemer, in 1964 and all items which were not regarded as absolutely necessary were deleted from the contract, a city hall spokesman stated. However some items thus deleted were found to be highly desirable when the plant was put in actual operation, and due to changing elective and ap-

pontive personnel the early agreement was overlooked.

Some items were reinstated in the contract, and Change Orders for the additional costs incurred forwarded to the City Commissioners, who had no objection, and who refused to pay for such items until Thursday's meeting.

Monetary allowances in favor of the City were made for damage to homes from a water pipe burst, and the city in turn authorized payment of the change orders which were found to be in order.

Final acceptance of the plant was authorized by Commissioners, pending legal approval of bonding companies release by the City Attorney.

"Just about anybody who was anybody in South Bay showed up at the supper" one observer commented, plus many from Belle Glade and other cities.

Following the supper, a special little league baseball game was scheduled, with the team sponsored by the Lions scoring the win.

Proceeds of the supper will go toward buying baseball suits for Little League teams in South Bay, according to Lion George King.

Disposal Of Junk Cars Discussed By Committee

Plans for replacing potted palms along Main Street, damaged by the winter freeze, were discussed by the Belle Glade Beautification Committee when they met last Thursday at the Chamber of Commerce building.

Mrs. N. E. Gaskell gave a report on the results of a survey, made recently by Mrs. Marie Causey and herself, of business establishments which have planted palms recently. She reported that the merchants and business men were "most cooperative in agreeing to help keep the trees watered regularly." Palms which are not going to survive will be replaced either with other palms, or with plants of some kind which will be better able to survive frost and other set-backs which may occur in the future. This project will be under way as soon.

Plans are still under discussion as to how to dispose of junk cars and other unsightly objects which now are eyesores in our community.

The State Road Department is doing a fine job of cleaning up the shoulders along the canal on State Road 80 near six mile bend, the committee reported. Dead wood is being cleared away and the approach to Belle Glade from the direction of West Palm Beach will soon be much cleaner and neater in appearance. Suggestions from interested citizens are always welcome and might be of real help to your committee.

Next meeting will be held

Trade at Home

For Your own sale and community progress

Is it a furnished car, or a house with an engine?

It's both. The Volkswagen Camper is a car with all kinds of room: bedroom, living room, and dining room. The room is furnished with beds, tables, chairs, cabinets, cots, pantry, water tank, and pump.

It has everything that 2 adults and 2 kids need for living in, while camping out.

And when it's not housing people, it's moving them. You might think the room would be crowded with all the beds and stuff. But there's plenty of room left for 2 passengers, and even more stuff!

The Camper has an air-cooled engine that averages 23 miles per gallon. It's over the rear wheels for good traction even on sand or wet ground.

At home, it gets you to a good campsite, all you have to do is turn the engine off. And turn the house on.

Conference Sports—

BG Hi Wins Overall Trophy

Vero Beach and Belle Glade high schools have won the overall sports trophies in the Suncoast Conference for the 1965-66 school year.

Winning championships in football, baseball and girls' golf, Vero Beach compiled 2,230 points in the Eastern Division to edge runner-up Palm Beach, which had 2,140.

The Western Division race was almost as close, as Belle Glade, a winner in football

and girls' golf and tennis, made 2,160 points with Martin County of Stuart compiling 2,000 on the nose.

Eleven of the 14 schools in the conference won a division title. Exceptions were Seacrest in the East and

Western newcomers Clewiston and Okeechobee.

Martin County also won three titles, in baseball and boy's golf and tennis. Winning two championships each were Palm Beach, girls' swimming and tennis, and Lake Worth, boy's swimming and tennis.

Other firsts were earned by Riviera Beach, basketball; Forest Hill, track, and Dan McCarty, boy's golf, in the Eastern Division, and in the Western Division, Jupiter and Pahokee, tied in basketball, and Boca Raton, track.

Point totals: Eastern — 1. Vero Beach, 2,230. 2. Palm Beach, 2,140. 3. Riviera Beach, 1,830. 4. Forest Hill, 1,790. 5. Seacrest, 1,390. 6. Lake Worth, 1,380. 7. Dan McCarty, 1,000. Western — 1. Belle Glade, 2,160. 2. Martin Co., 2,000. 3. Pahokee, 1,780. 4. Boca Raton, 1,420. 5. Jupiter, 1,070. 6. Clewiston, 900. 7. Okeechobee, 700.

Belle Glade's Jim Jackson led the Western Division with a 419 average, hitting 13 times in 31 trips.

Palm Beach's McEnney was at bat 25 times and hit 14 times for a .560 to beat Jackson in both divisions.

Belle Glade had three men hitting .300 and over: Rodriguez .306, Foster and Miller, each .333.

Pahokee had two 300-plus hitters: Mills .333, and Butler .300.

Belle Glade's pitcher-lb Latour averaged a .275, with 40 batting attempts.

Miller was at bat 42 times and had 14 hits.

Naval Corpsman Is Promoted

GARY CLARK
Since leaving Belle Glade March 10 for duty at the Hospital Corp School, U. S. Naval Hospital, San Diego, California, Gary Clark has passed the test for advancement in rate and is now E3.

Gary received his basic training at Great Lakes, Ill., completing in November, 1965. He will be stationed at the Naval Hospital in San Diego until graduation in four weeks. He has taken his final exams in Preventive Medicine, Anatomy and Physiology and Metabolism, making and over all average of above 90, and is now completing classes in Nuclear Chemical Warfare.

Gary is also keeping up with the news around Belle Glade from his subscription to the Belle Glade Herald, which he writes home that he really enjoys. Any of his friends that would like to drop him a line, his address is R. G. Charles, H. N., 917-51-34 U. S. Naval Hospital, Co. 40, Hospital Corps School, San Diego, California 92134.

Methodist Set Big Day Sunday

Sunday, May 29, will be a big day in the history of Community Methodist Church. The members of this church who are graduating from High School next week will be recognized in the Morning Service and presented with a gift from their church.

Members will be received into the fellowship of the church by Profession of Faith and by letters of trans-

fer from other churches.

It is Pentecost Sunday, and the pastor, Rev. W. R. Boland, will preach on the subject, "The Gift of the Holy Spirit."

Immediately following Morning Service, there will be a called meeting of the Quarterly Conference. The Pastor has been authorized to preside over the meeting and business important to the entire church will be discussed.

Installation & Ladies Night Combined At South Bay Lions' Annual Events

Ladies Night

President Franklin Kelly (center) and his wife, have installing Officer Herman Close and his wife (right) and Mrs. Luther Jones (left) wife of the night's speaker as head table guests at the annual Ladies Night for the South Bay Lions Club.

New Officers

(Lion Herman Close (right) Past President of the Belle Glade Lions installs South Bay Lions' incoming officers as follows: (L to R) Geo. King, sec-treas.; Norman Austin, Director; Ralph Newman, Lion Tamer; Daniel Shiver, Vice-Pres.; Kenneth Warren, Pres.; Don Scruggs, tall twister; Franklin Kelly, Director; Glenman McGhee, 2nd Vice-President.

THE HERALD, Belle Glade, Fla. MAY 26, 1966

South Bay Lions Club officers for the coming year were installed last Thursday at the Annual Ladies Night banquet at the Holiday Inn in Belle Glade.

Performing installation ceremonies was Mr. Herman Close, Belle Glade Lion and Principal of Belle Glade Junior High School.

Mr. Kenneth Warren was installed as President, replacing Frank Kelley, Daniel Shiver, Vice President; Glenman McGhee, Second

V. P.; George King, Sec-Treasurer; Franklin Kelley and Carroll Warren, two-year Directors; and Howard Woodham and Norman Austin, one-year Directors.

Don Scruggs was named tall twister and Ralph Newman, Lion Tamer.

Guest speaker at the banquet was Mr. Luther Jones, publisher of the Belle Glade Herald, who spoke on "Communism." Mr. Jones illustrated his talk with colored slides taken while on a tour of Russia in 1963.

Mayor Proclaims Poppy Day

Mayor Cosby Crews has designated Saturday, May 28, as Poppy Day 1966 in South Bay, according to an announcement made at the City Commission Meeting Monday night. Mrs. Vernon Henderson, Commander of the Legion Auxiliary, said that the annual observance will include Lake Harbor and Bean City.

The proclamation was signed by Mayor Crews as members of the American Legion Auxiliary looked on. "The hearts of all our citizens in the Glades area will be with this commendable effort this year as a means of paying tribute to all our war dead," the Mayor declared. "This day each year gives all of us an opportunity to pay humble respects to those Americans who laid down their lives so that we may continue to enjoy the blessing of freedom."

"Poppy Day should be one of solemn remembrance for all of us in the Glades, keeping in mind not only those who laid down their

lives for our peace and prosperity, but also those whose bodies and minds still bear the terrible scars of war."

The Mayor declared that we must always keep in mind those who made the final offering. "It is a debt we can never repay, but we can show, in a small way, our appreciation by wearing the bright scarlet blossom of remembrance on Poppy Day, next Saturday."

Therefore, I do declare Saturday, May 28th, to be Poppy Day 1966 in the City of South Bay and for the areas of Lake Harbor and Bean City and urge all our citizens to join in this worthy while observance by wearing the memorial flower," the Mayor stated.

Directing the Poppy Day activities here will be Mrs. Vernon Henderson, chairman for the South Bay Legion Auxiliary.

Poppy Day originated some 45 years ago as a simple and sincere method of paying tribute to the war dead of the nation, Mrs. Henderson said.

STRENGTH FOR THE FEET
I can do all things in him that strengtheneth me. (Phil 4:13)

We have time for everything we need to do today. When we take such a stand at the beginning of a day it sets the tone of the day and puts us in tune with the spirit of successful accomplishment. We have time for all that needs to be done - the energy and strength we need, the wisdom and the power of Spirit at our command.

Wedding Vows Exchanged In Methodist Church

MRS. JAMES WAGNER ENDRIS

In a lovely all candlelight wedding Saturday, May 21, 1966, at 7:30 p. m. in the Community Methodist Church, Miss Patricia Rae Wilkinson became the bride of Mr. James Wagner Endris. Reverend W. R. Boland officiated at the ceremony before the altar, with a brass kneeling bench, beautifully arranged with two nine branch tree candelabras holding forty-eight inches of fern clusters and burning white tapers. The center arrangement was fan shaped with white stock, white snapdragons, and aspidistra, centered with a twenty-four inch brass cross. The family pews were graced with burning candles entwined with smilax.

The bride is the daughter of Mr. and Mrs. Ray S. Wilkinson, 622 SE 3rd Street, Belle Glade. She is a graduate of Belle Glade High School and of Massey Business College in Jacksonville, Florida.

The bridegroom is the son of Mr. and Mrs. Paul W. Endris, Sr., of Anna Maria Island, Florida. He graduated from Amhurst College in 1955 and took post-graduate studies at the University of Florida, majoring in Accounting. He obtained his CPA certificate in 1962. Mr. Endris is presently employed by Houdaille-Duval-Wright Company in Jacksonville, Florida.

Given in marriage by her father, the bride wore a sheath gown of Swiss lace featuring a full circular Chapel train of silk organza bow and rose. Her tiered veil of illusion was secured by a contour peau de soie bow with inset pearls. She carried a prayer book with white frenched carnations, stephanotis, and English Ivey, entwined with rope pearls.

Miss Janet Suzanne Wilkinson, sister of the bride, was Maid of Honor. She wore an aqua gown of silk organza with a bateau neckline, and three quarter length sleeves. Her veil of illusion was secured by two roses. She carried a cascade of lemon yellow daisies and English Ivey.

Mr. Paul William Endris, Jr., brother of the groom, served as best man. He wore a navy blue tuxedo with a white shirt and white bow tie. Mr. Donald Ray Wilkinson, brother of the bride, and Mr. James Edward McNicholas of Jacksonville, Florida, were also present.

Mrs. Gordon Corbin, organist, presented a program of musical music. Mr. Milton Carpenter, soloist, sang "Whither Thou Goest," "Bona Fide" and "The Lord's Prayer."

Holy Baptism

Donna Therese Duda, infant daughter of Mr. and Mrs. Joseph Andrew Duda, born April 21, 1966, was received into the Kingdom of God through the Sacrament of Holy Baptism.

The Sacrament was administered in Saint Peter's Lutheran Church Sunday, May 22 during the regular order of service. The officiant was Reverend Richard Y. Roseman, pastor of the congregation. Her Godparents and sponsors are Mr. and Mrs. Ferdinand Duda of Belle Glade.

and Miss Nancy Cotterman of Bradenton. Out of town guests included friends and relatives from Miami, Coconut Grove, Fort Lauderdale, West Palm Beach, Sarasota, Bradenton, Palmetto and Jacksonville, Florida.

For traveling Mrs. Endris wore a beige linen suit with beige shoes and bag, orange gloves and white hat. Her corsage was a green orchid. The couple left for Miami Springs immediately, and flew to Nassau, Bahamas for their honeymoon trip on Sunday. Upon their return, they will reside in their new home at 1713 Jocelyn Road, Jacksonville, Florida.

First Baptist Kindergarten Closing Program

The closing program of the First Baptist Church Kindergarten will be held on Thursday night, May 26th at 7:30 P. M. in the Social Hall. The children will participate in a program of songs and finger plays.

Forty-two five year old kindergarten children will be presented with a certificate at this time. Open house will be observed in the children's rooms after the program & refreshments will be served. Parents and friends are invited.

Rebels Quartet To Sing Sunday

The Rebels Quartet of Tampa will appear at the First Church of the Nazarene, 5601 Forest Hill Blvd. West Palm Beach Sunday, May 29 at 9:45 A. M. and at 1:30 P. M. Singing and dinner on the grounds will be enjoyed. Everyone is invited to attend, bring your dinner and join in the fellowship.

The breakfast meeting of the club will meet Thursday, June 2 at the Cottage Grill, at 7 a. m.

Jackie Croft and John W. Pitts were united in marriage at the Everglades Presbyterian Church Friday, May 20, 7 p. m. The Reverend J. Paul Vondracek officiating.

Mrs. Pitts is the daughter of Mrs. Juanita Croft, Belle Glade. She is employed by Watson Ford.

Mr. Pitts, son of Mr. John Pitts of Lake Harbor is presently employed at the Glades Sugar House, Belle Glade.

Mr. and Mrs. Richard L. Hooker of Belle Glade. Mr. and Mrs. Pitts are now residing at 1633 N. E. Ave. K.

The hoaxers are spreading the rumor that the VA has asked veterans to write to the agency so that a dividend check might be sent to them, C. W. Henry, Manager of the St. Petersburg VA Regional Office, reported.

VA officials point out that they have asked for no such queries and that Congress has NOT enacted any laws concerning this alleged dividend. Disappointment is facing thousands of veterans whose letters are already flooding into VA offices throughout the nation, Henry added.

The VA asks editors of publications and overseers of company bulletin boards to please see that the phonetic notices do not appear in print or become posted on the boards as these are the main methods through which the false rumor is being spread.

Palm Beach County school board is expected to approve certificates of final inspection on completed expansions to three Glades schools when it meets Wednesday. Cost of the expansions has been \$242,792, it is announced by Supt. Robert W. Fulton.

The three expansions are at Gove and Glade View Elementary Schools, Belle Glade, and Rosenwald Elementary School at South Bay. The additions include 14 classrooms among other added facilities, including a library at Rosenwald School.

The \$242,792 cost refers solely to actual construction costs, so that furnishing and equipping expenses are additional.

All three additions have already been occupied, but the final inspection certificates must be officially ac-

8 Large Counties Have A Governor

(Continued From Page 1)

Nine other satellite counties to Big Citie went along, but weren't carried. Jerry Carter needed the Glades and the County.

The Glades cast 3,395 votes in the governor's race in the second primary; it cast 3,354 in the first race; all this out of a total registration of 7,442 democrats — a bit better than 50 percent.

In the County there are 85,535 registered democrats, and 43,178 voted for governor a 50 percent-plus.

South Bay Warned

(Continued From Page 1)

Det. L. Tindall, Glades Division of the Sheriff's office, was present. No member of the public was present, although some employees of South Bay were on the premises, even though the meeting had had wide newspaper coverage. The investigators said that they knew the Police Department was small, that the gambling operations far exceeded the limits of South Bay, but they nevertheless felt that more could be done by South Bay officials to halt the advance of organized vice and crime in South Bay.

Board of the First Methodist Church of Pahokee and has been active as a teacher in the Sunday School of that church for more than 15 years.

After being initiated into Pahokee Lodge No. 638, B. P. O. E. in February 1947, Vann advanced rapidly through the offices of the lodge to the Exalted Ruler's Chair, to which he was elected in March 1949. In March 1950 he was re-elected to that office, becoming the only person to serve two consecutive terms as Exalted Ruler of Pahokee Lodge.

In 1955-59 he served as

Strengthening, Make-up Courses Offered In Glades Summer School

The Palm Beach County school system is offering for the first time in the Glades area a summer school for all students who wish to either strengthen themselves in courses that they will be

taking in the future or for credit in courses they may have failed.

The Summer School is locally financed and locally operated. In Palm Beach County only junior and senior high schools are involved

in summer school. Credit is given for courses successfully completed for NEW subjects or for subjects FAILED during the regular school term. Completed (passed) courses are recorded on a student's permanent record and become a part of his recorded school program.

Palm Beach County Summer School is an extension of the regular school program offering educational opportunities for students as follows:

1. To take new work.
2. To reinforce a subject area where there is a weakness.
3. To repeat a failed course.

For example, a student may find the regular school year so crowded that he is unable to take some desired subjects. The students can get these courses or required courses in summer school. A student may pass a subject but feel that a review of the course would be of value before he goes on to the next level. Finally, it would enable students to make up failed courses.

The summer school for the Glades area will be at Pahokee Junior-Senior High School. All students through out the Glades area who wish to attend may register June 13th between the hours of 8:30-1:30. Because this is locally financed there will be a \$36.00 fee for all participants.

Pine tip blight is a fungus disease that disfigures mugo pine and balau pine. The organism grows through the needles by mid-dying. Tree experts recommend spraying of pine buds as they open, applying a copper fungicide. If spring is wet, a second application 10 days later and a third at equal interval may be necessary. Spray when the new candles of growth are pale green.

FAMILY POT LUCK

BY HELEN MALE

Spring Treats
The season of outdoor meals is with us again. Complement your outside menu with dessert platters. Fruits and berries may be arranged on a tiered platter. Peach slices dipped in lemon juice, melon squares and wedges on toothpicks, grapes and plums make a fine bottom tier. You can add cookies, keef puffs, minis, nuts or cheese wedges on toothpicks.

Red plums and amber peaches make a tasty jam when used together. The flavors complement each other and the color is a lighter red than the jam were made from just plums. Make the jam in small quantities to avoid long cooking and too much fruit preparation at one time.

To spark up the flavor of macaroni and cheese, add a dash of dry mustard or Worcestershire sauce to the cheese sauce.

A teaspoon of lemon juice and some chopped parsley added to 1/4 cup melted butter makes a speedy topping for broiled fish or green vegetable.

Helen's Favorite: Whipped Cream Sherbet (Serves 6)
Juice of 2 oranges
Juice of 1 lemon
1 cup dash plain pineapple with juice
1 cup sugar
1 cup heavy cream, whipped
Combine juices, pineapple and sugar, stirring thoroughly to dissolve sugar. Fold in whipped cream. Pour into tray or pan and freeze in cold part of refrigerator, stirring once when half frozen.

Steady Growth Predicted For Florida's Agriculture

Speaking at the annual Vegetables Growers Field Day at the Everglades Experiment Station last Thursday, Dr. F. F. Jamison, chief of the DARE Committee — Developing Agricultural Resources Effectively — of the University of Florida, predicted steady growth of Florida's agriculture thru 1975.

Dr. Jamison stated that farm labor problems will be the major problem facing farmers and growers, but that this problem will not be serious enough to curtail the steady growth of Florida's agriculture.

Speaking before approximately 200 growers from south and central Florida, Dr. Jamison brought up to date a 1964 DARE report, and stated that although national per capita vegetable consumption is decreasing, nevertheless in the period from November through April per capita consumption went up.

"It (vegetable consumption) is 15 per cent higher in 1956 than it was in 1940"

Dr. Jamison stated, referring to total consumption rather than per capita consumption in the U. S. He predicted that by 1975 the total value of Florida's agricultural products will rise from a total of \$200 million in 1950 to \$303 million in 1975.

In addition to increasing labor problems, mechanization, food preservation, and water pollution problems were discussed by the DARE speaker. Decreasing labor supply plus increasing costs will force mechanization of agriculture, and the development of special strains of vegetables suited to mechanical harvesting, he suggested.

"If present pollution problems are not solved several of our major producing areas may be forced out of production," it was stated, "and although this and other problems are not new, they should be re-emphasized again."

Growers and farmers observed a mechanical vegetable harvester in action

during the day, and were taken on tours of the Station's experimental plots, and were served a free box lunch courtesy of the Kilgore Seed Company and Chevron Chemical — Ortho Division.

Up-to-date information on insect control, herbicides for use on organic soils, fertilization, results of pre-packing of sweet corn, presented by specialists in each field completed the day's activities.

IN PRIMARY

Cabinet Members Swamp Opponents

The administration of business for the State of Florida is principally in the hands of the Cabinet, which is composed of seven members.

There are twenty-odd Boards and Commissions which are composed of Cabinet members, with a few variations in membership.

The voters of Florida have historically selected men of high caliber, and it's an in-

dication of high respect when these official holders are returned with such majorities as in the first primary this year.

Of the three who were opposed all eliminated one, two or three opponents in the primary.

State Comptroller Fred O. (Bud) Dickinson, Jr., emerged as Florida's top vote getter in the May 3 first primary election.

S/Sgt. Wallis Will Graduate At St. Louis U.

S. Sargent Alva L. Wallis, Jr., who is presently stationed at St. Louis University in the Airman Education & Commissioning Program, will graduate June 4th, 1966 with a B. S. in Professional Meteorology. He is a member of the American Meteorology Society and is on the Dean's List at St. Louis University.

S. Sgt. Wallis will receive a commission in September as a 2nd Lieutenant and will be stationed at Shaw Air Force Base, South Carolina.

He is married to the former Miss Kannie Murphree of Pickens, South Carolina, and they are parents of one child, Kathleen Elizabeth.

S. Sgt. Wallis is the son of Mr. and Mrs. A. L. Wallis of 400 N. W. Avenue D, Belle Glade, Florida.

Dickinson received more votes than any other opposed primary election candidate in the history of Florida.

In addition, he was the undisputed high vote recipient in this primary with the 677,593 votes he received to sweep aside the opposition of three other candidates in his race for a first primary victory.

While accomplishing this landslide win in his bid for a four-year term for the office to which he was appointed last fall, Dickinson scored clear-cut wins in every one of the state's 67 counties.

Statewide, he amassed 82.81 per cent of the vote. His lowest individual county total was above 70 per cent, and in several coun-

The Glades Five Watters Citizens Band Radio Club held their annual barbecue at the Belle Glade City Marina, Sunday, May 22. De-

licious barbecued chicken with all the trimmings, was served to approximately seventy members, their families, and guests.

During the business meeting following the dinner, plans were made to conduct a membership drive for the club. Bill Draper, president, stated that volunteers are needed from the Belle Glade, Pahokee, Bean City, Lake Harbor and Glades areas to aid the Glades residents in the event of a community emergency. "We hope to build our club into a large, active group," continued Mr. Draper, "working with the Civil Defense and the City of Belle Glade for the good of the entire area."

Especially needed are the services of doctors, ambulances, newspaper people, photographers, and any public-service-minded citizens owning citizens band radio equipment, who would like to be affiliated with and help in this type of organization.

More Federalization Proposed

For the present, at least, labor lost its fight to bring about repeal of section 14(b) of the Taft-Hartley Act — the section which permits the states to pass right-to-work laws forbidding compulsory unionism as a condition of employment. Now it is throwing its full weight behind a bill, known as H. R. 8282, which would federalize the state unemployment compensation systems.

The bill contains some remarkable, and disarming, proposals. For one thing, it would cancel state laws designed to prevent unworthy claimants from collecting unemployment benefits — many people have virtually made a career out of this. It would substantially increase the payroll taxes. And it would abolish the sound experience rating policy, whereby employers who maintain steady employment pay less and those who do not pay more.

Worst of all is the fact that federalization would result, and state authority would just about be completely erased. This would mean that the states would no longer have the authority to deal with local conditions in the light of local needs and situations. Washington would say what can and cannot be done, and its decisions would be final everywhere.

The present unemployment compensation systems have generally worked well. If improvements are needed in one area or another, they certainly can be made without taking from the states powers of policy and decision which can be fairly and equitably reached only at the state level.

SLUMS

To eliminate slums, the slum-dwellers themselves will have to improve their own deficiencies of character. Other poor people — immigrants — in the past have done this, and gone on to prosperity.

Today's slum dwellers, if they are ever to amount to anything, must look inside themselves for help, not to the Great Society. One thing Washington can't give away is character.

CREEPING PARALYSIS!

As though it didn't have enough to do in trying to win its self-proclaimed War on Poverty, the Johnson administration has now declared global war on hunger.

The "War on Hunger," like the "War on Poverty," has an appealing, humanitarian sound. To be sure, all Americans want decent people around the world to have enough to eat, as they also desire poverty to be abolished. As a charitable people, and their charity existed long before POLITICIANS FOUND GIVEAWAYS SMART POLITICS, Americans always stand to help people who are in genuine distress.

The United States grew to agricultural greatness because of free enterprise in farming. The farmer farmed for himself and his family, not for a government agency. Improved seeds, fertilizers and farm machinery — all are the work of private enterprise. The Indians and many other misguided foreigners refuse to give private enterprise sufficient room to work in agriculture.

Under existing law, growers of certain farm commodities can be fined or go to jail if they exceed the quotas allotted to them. This procedure is completely alien to the American economic and political system. Now is the time to get rid of it. American farmers should be entitled to grow whatever they wish and in whatever amount they desire. If a man owns a piece of ground, he should not have to ask a government department how he may use his land.

American agriculture cannot be healthy in the future if it follows the path of socialization that the Soviet Union and other socialist countries have followed.

Inflation Is A Disease

Associated Press Business News writer, Jack Ledler, reports: "Inflation is the big worry of economists and government officials. There is talk of a possible tax increase and price and wage controls to combat it. Simplified, inflation is too many dollars chasing too few goods."

Inflation, too, is a "guns plus butter" policy on the part of the government, which attempts to fight an ever-expanding war in Viet Nam and at the same time advance welfare programs of unprecedented cost and extent at home.

The tragedy is that the weight of inflation falls mainly on those who are least able to bear it — those on fixed retirement incomes, on public relief, in the low-wage brackets and so on. The irony is that these are the very people the government's welfare programs are supposed to help. But that help will be illusory indeed — a snare and a delusion — if inflation continues to erode the few dollars they have to spend on the necessities of life.

Inflation is to a country what disease is to the individual — a source of constant destruction unless it is cured.

Uncle Dan From Doolie Says:

DEAR MISTER EDITOR:

Ed Doolittle took over the session at the country store Saturday night and he got all the fellows pretty shook up about matters.

He claimed the country had done gone to the dogs and he didn't see no chance of the Republics getting back in power — in time to save it. He bragged a bunch of figgers he said he had clipped from magazines and papers while he was waiting at the barber shop to get his semi-annual trim.

He reported, unemployment was the lowest it had ever been in this country but the relief rolls were climbing steady and would run to a half-billion dollars this year.

Our Congressmen and officials in Washington was spending \$5.9 million this year for private jets, pay hikes, and going on junkets around the world. Also, said Ed, we paid a politician contractor \$122 million for building that new Sam Rayburn building for our Congressmen and it come to \$221,000 a head.

More than half of our Congressmen, reported Ed, has 700 a year and she wasn't even living in this country, was living in the West Indies.

Furthermore, allowed Ed, the Government was requiring around a billion reports from American businessmen and citizens every year and the handling costs of these reports run a little over \$7 billion last year.

Ed claimed our Government had adopted a brand new philosophy that the only way to prevent a big war was to keep a little one going all the time. We got a little one going in Viet Nam and the State Department give out figgers showing it costs the taxpayers \$35,000 fer ever Viet Cong killed.

Ed reported he had come to the conclusion the only way a average American could live and pay his taxes today was to get pore enough to qualify for the poverty program.

It was a mighty sad picture Ed was painting, Mister Editor, and the fellows was disturbed.

The things that will destroy America are peace at any price, prosperity at any price, safety first instead of duty first, love of soft living and the get-rich-quick theory of life. —Theodore Roosevelt

FLORIDA FACTS

In 1906 when hot dogs were first introduced into Miami, Florida, they were known as "red hots."

The Cherokee Rose seen at Florida Cypress Gardens was originally native to China.

Beef cattle and calves numbered more than 1 1/4 million in 1960 in Florida, and a beef head count in 1960 is expected to exceed two million.

Thirteen million dozen eggs per week are produced in Florida, a major contributor to the southeast's record as producing 30 percent of the nation's eggs.

Capable of speeds to 47 miles per hour, the water ski tournament boats used at Florida Cypress Gardens feature twin 100-horsepower Johnson outboard motors, electric tachometers, and judge's and observer's seats.

Florida cattlemen annually spend \$18 million for cattle and calves, \$7 million for feed, \$5 million for fertilizer, \$3 million for horses, and \$1 million for saddles.

The world's largest aircraft turntable (114 feet in diameter) is used at the Piper Aircraft Corporation plant in Vero Beach, Florida.

Richard D. Pope Sr., chairman of the board and founder of Florida Cypress Gardens, is also president of the Orange Blossom Trail Association, a non-profit organization to promote tourism down the length of Florida's scenic central portion to Miami and Key West.

There's an attachment of over 542 thousand for each agricultural worker in Florida.

The Cherokee, first production airplane to be designed and built in Florida, is manufactured by the Vero Beach plant of Piper Aircraft Corporation. It is expected to see more than 3,000 Cherokees roll off assembly lines during 1966.

Zeke Grubb was of the opinion that the men folks had made such a mess of things he was in favor of turning the country over to the women and men try their hand at running it. But Hoover was agreed with Zeke, claimed the women folks was tough and could take it. Fer instance, he said, a 50-mile hike was a killing exercise fer men but women would just call it a shopping tour.

Personal, Mister Editor, if the women want a crack at it, I'm in favor of giving it to 'em, along with a vote of confidence and sympathy.

Yours truly,
Uncle Dan

MEMORIAL DAY was originally designated as "Decoration Day" in 1868 "for the purpose of strewing flowers, or otherwise decorating the graves of comrades who died in defense of their country."

By Acts of the governments of the various states it has become to be known as MEMORIAL DAY, and is so observed, for the purpose of doing honor to those Americans who have died in ALL wars, "in defense of their country."

We reflect: There's ALL wars in which Americans have died have been IN DEFENSE OF: not one has been for GAIN of territory, special privilege, or display of imperious might.

There's not a country of the world for whose rights we have not fought; and There's not a country of the world whose finances haven't been bolstered through our generosity — sometimes to a fault.

Ethnic and religious customs, undiluted by appreciation of individual rights in commerce and government, and insistence on political and military authority "by right of birth," hamper our position to communism and lessons of democracy in Vietnam, a beleaguered nation.

We should refresh our memories and do honor to those who HAVE died, and to those who are TODAY jeopardizing life and limb! We should ask Divine guidance for those at home who TALK, PARADE, SIT-IN, and SIT-DOWN in protest, and cry "bring our boys back home."

We should assist the Divine Plan, with restricted areas for the talkers, a mixture of mustard and kerosene on the floors, chairs and benches of the sit-ins and sit-downs would act as deterrents; itching powders and tear-gas will live on the marchers; hoses, shovels and pick-axes used on public works, by sentenceless vagabonds would help everybody!

"Praise the Lord, and Pass the Ammunition," after proper observance for those for whom Memorial Day is intended!

My Neighbors

WHEN Charles A. Beard, the famous historian, was asked if he could summarize the lessons of history in a single volume, he said he could do it in four sentences:

1. Whom the gods would destroy, they first make mad with power.
2. The mills of the gods grind slowly, but they grind exceedingly small.
3. The bee fertilizes the flower it robs.
4. When it is dark enough, you can see the stars.

Maggie's Column

Dear Maggie,
I once dated a boy that I didn't love nor like. I only felt sorry for him. I tried to be his girl as long as I could, but I just had to stop, because it is hard to pretend to care for someone you don't love. Can you tell me whether I did wrong or right?
Guilty

Dear Guilty,
In a way you were right for trying to ease this person's troubled heart. But you shouldn't have led him to believe that you cared for him. I suggest you explain to this person how you feel about him and the reason for your actions. Then you should try to make a partner of this person who goes of things from that point on.
Maggie

Dear Maggie,
As the results of an argument my steady and I have broken up. Since then I have started going steady with another girl. I can't seem to forget my first girl. Would you please tell me what to do?
Perplexed

Dear Perplexed,
There isn't too much you can do. You should leave both of these young ladies alone, because it seems as though you haven't realized what you actually want to do. Wait until you come to a happy medium with yourself, before asking a girl to be your steady.
Maggie

A TWICE-TOLD STORY IS BORING
Try not to repeat yourself, either by telling the same stories again and again or by going over details of your narrative that seemed especially interesting or amusing to your friends.

There are many more minor topics to be found under the art of conversation and you can almost imagine what would be said about these topics, and some of these topics are:

"Humor Is The Hardest of Gifts"
"Fishing For Topics"
"My Name Is Mrs. John Jones"
"Advance Preparation for Conversation"
"The Tactless Blunderer"
"The Bore"
"Subjects of Conversation"
"Dangers To Be Avoided"
"Personal Remarks"
"Don't Chatter"

We use conversation every day, so we should be more conscious of the "Art of Conversation."

Book Of The Week

THE DELIVERANCE OF SISTER CECILIA
H. W. Wilson
During the Russian invasion of Czechoslovakia, Sister Cecilia who assisted members of the underground is threatened by the police. In order to disguise herself she leaves her nun's habit behind and joins a group of patriots in hiding. Sister Cecilia reminisces about her earlier life; she discusses how the Communists took over Slovakia in 1949 thus changing her convent into a worker's commune.

She allowed her to keep her kindergarten but only for the purpose of teaching communist doctrine. Because she also insisted upon the teaching of Christian principles, she was asked to leave the school.

Next she moved to a hospital and held secret classes in religion. It was at this

particular time that she became involved with the underground. There were many exciting moments during this time; in fact, Sister Cecilia even sheltered a priest and several political refugees and was instrumental in getting them safely out of the country.

Finally, she fell under suspicion and disguised herself as a Civilian.

During stirring moments occur in this story, for instance, she has a series of narrow escapes from the police and then she meets up with two priests disguised as Communist Police and that dear reader is really where the action begins.

This novel holds a special interest for girls especially those interested in religion. It is very exciting, rather suspenseful and guaranteed to hold your interest.

Food Exhibit A Smashing Success

The homemaking classes, comprised of students in grades nine through twelve, presented their first annual food exhibit on Friday, May 13, between the hours of four and six. The affair brought wonderful response and admiration from those in attendance.

Among the many guests attending the affair was Mrs. Ruby Cannon, County Coordinator of Home Economics and her guests. The exhibits were divided into categories: meats, pastries, breads, cakes and salads. Of particular delight to the crowd were hams prepared by Willie Jones and Johnny Slater; a delicious "Quiche Lorraine" (Bacon pie) prepared by Christopher Parsons; cakes in the shape of a duck and duck prepared by Ernest Edwards; lemon pie and Cinnamon rolls prepared by Robert Davis. Many cookies, cakes and pies were on display. Unfortunately, space will not permit a complete listing of the food items and all of the students who prepared them.

Many stores throughout the area contributed to the affair. These stores were: B & B Supermarket, Miner's Supermarket, Kwik-Chek and Case Rate. The Merita Bread Company set up a very fine display. The Holston and Hande bread companies contributed their products.

The success of the food exhibit depended upon many factors, the most outstanding of which were the efforts of Mrs. Inez V. Mack and Miss Syntha Bess, instructors in the home economics department, and every student who took a part. The exhibit was one of which there can be no doubt but praise. Even the atmosphere surrounding the affair was one of elegance yet, this was kept simple that made everyone feel at home. Congratulations to the homemaking department for a job well done.

Outstanding Home Economic Student

Outstanding home economics students in Southeast Florida are being honored for the third successive year by the Dairy Council of South Florida through an awards program.

The winner at Lake Shore Junior-Senior High School is Florence C. Holloway, daughter of Mr. and Mrs. Marvin Holloway, 49 Washington St., Belle Glade. She will receive a gold charm.

Florence plans to attend Florida A&M University where she will major in home economics. She is Degree Chairman of the F. H. A. at Lake Shore High; and member of the F. T. A., Pep Squad, Chorus, Student Council and correspondent for the Co-Ed Magazine.

A total of 62 young women in 10 southeastern counties were recognized last year, according to Mrs. Joanne G. Jack, executive director of the Dairy Council. Approximately the same number will be honored this year.

Grand Chapter Reports Heard

At the regular meeting of Belle Glade Chapter O. E. S. No. 197 held at Masonic Hall on Thursday evening, May 19th, Grand Chapter reports were given.

Mrs. Mildred Browne, Worthy Matron, presided.

Mrs. Mary McGraw, Mrs. Madge Taylor, Mrs. Thelma Norris, and Mrs. Mildred Browne commented on various aspects of Grand Chapter. Particularly interesting was the report Mrs. Norris gave of the memorial program. The session held in Tampa this year will be held next year in Jacksonville.

Mrs. Lois Moss and Mrs. Tera Dell served refreshments at the conclusion of the meeting to the twenty-four persons attending. The next meeting to be held on June 2nd will feature initiation work.

Bridal Shower Compliments Faye Johnson

Miss Faye Johnson, whose marriage to Eddie Nestor will take place Friday at 8 p. m. in the First Baptist Church, was honored at a bridal calling shower held at the Holiday Inn.

Hostesses for the occasion were Mrs. Van Robertson, Mrs. Frank L. Anderson, Mrs. Jimmy Wilson, Mrs. Jimmy Williams, Mrs. Bonnie Anderson, Mrs. Robert Bowles and Mrs. W. P. Blackwell.

A green and apricot color theme was carried out in the decorations. The refreshment table was covered with a lace cloth, centered with an arrangement of beautiful spring flowers.

The honoree opened and displayed many lovely gifts.

Bridesmaids Luncheon Held

Miss Faye Johnson and her attendants were honored at a bridesmaids luncheon at the Cottage Grill Saturday at 1:30 p. m. Hostesses were Mrs. Sammy Tyson and Mrs. Lonnie John.

Places were laid for 10 guests with a miniature bridal bouquet and place card for each one. A small bride's doll encircled with red, blue and white gardenias formed the table centerpiece. Corsages of white gardenias were presented to the bride to be, her mother, Mrs. Johnson and Mrs. Nestor, mother of the groom to be.

Miss Johnson presented her attendants with charms with bridesmaid and maid of honor inscribed on them.

Guild Program Is Presented By Mrs. Mathews

St. Elizabeth's Guild of St. John the Episcopal Church met at the home of Mrs. Ben Painter, Mrs. Douglas Matthews gave the program with discussion following.

During the business session announcement was made that Sunday, May 22 was U. T. O. Ignatius Sunday for the Women of the church.

After this month, the holy day during church will be discontinued for the summer. Coffee will be continued to be served by the Guild for the month of May.

It was decided that members should continue to meet during the summer to work on the bazaar items.

Mrs. Richard Poston reported on the competition in Miami on May 12-13 that she and Mrs. James Winchester attended.

Announcement was made the new priest, Father Thompson, will arrive May 31 and the church will have a supine on June 2, in his honor. Refreshments were served by the hostess and cohostess Mrs. Margaret McCain.

PERSONALS

Mr. and Mrs. J. L. Greer and son, Fred, and Mr. and Mrs. Lester Averill, were weekend guests of Mr. and Mrs. Joe Boyd in LaBelle. The Boyds are former Belle Glade residents.

Mr. and Mrs. Robert Walker and children of Orlando arrived here Wednesday for part of their vacation. They are visiting her parents, Mr. and Mrs. Ralph Kirk and his parents, Mr. and Mrs. W. R. Walker in Pahokee. They also plan to spend some time in Key West.

Miss Mary Mathewson returned to Tallahassee Sunday after visiting her parents, Mr. and Mrs. Jack Mathewson since Friday. She is a senior at FSU.

Mrs. Ruby Kirk and Mrs. Alice Cherry returned last Thursday from Cashiers, North Carolina, where they spent a week on a business and pleasure trip to Mrs. Kirk's summer home on Lake Glenview.

Word has been received from Clark C. Jones that his wife, Mary, is in a Columbus, Ga., hospital and is showing improvement. Mr. Jones left early last week, when he was called by Mrs. Jones who had returned to their home in Dothan, Alabama, about two weeks ago. Mr. Jones expects to return to his work here with the A & P Stores National Product Division in about two weeks.

August Kirchman entered St. Mary's Hospital in West Palm Beach over a week ago and has been under observation and having X-rays. Mrs. Kirchman reported the doctors had found a ruptured disk and calcium deposits. They hope that with some treatment he will not have to have surgery, but will know in several days.

To Be Married June 3

MARY ELIZABETH WILLIAMS

Mr. and Mrs. Pete Williams of Belle Glade announcement the engagement and approaching marriage of their daughter, Mary Elizabeth Williams to Francis Baby, son of Mrs. Wayne Minney of Bean City and Mr. Joseph Woodrow Ruby of Pahokee.

Miss Williams will graduate from Belle Glade High School in June. She is presently employed at the Di-

sential meeting of the Belle Glade Elks Ladies Auxiliary was held Thursday, May 19th at the Elks Lodge, with Mrs. E. A. Lind-

rose, temporary chairman, presiding.

We are in the midst of the observance of National Library Week (April 17-23), the culmination of a year-round campaign "for a better-read, better-informed America."

Now entering its ninth year, the national program which is sponsored by the National Book Committee, in cooperation with the American Library Association, seeks to call attention to specific needs which affect both the general public, and the library profession.

Among the slogans for the week: KNOW WHAT YOU'RE TALKING ABOUT—READ. IVAN SANDERSON'S BOOK OF GREAT JUNGLES.

A famed naturalist takes you on a journey through great jungles of the world. Containing 140 photographs it is a blending of natural history, travel, and adventure.

THE AGE OF WELLINGTON. Cooper. The life and times of the Duke of Wellington, 1769-

1852, are presented in a book which shows a parallel with our own times. The age was afflicted by a world conqueror who ravaged Europe, but failed to win command of the sea. Industrial upheaval followed by social and political reform, were a part of the times, also.

CONSTANTINE.

Subtitled The Miracles of the Flaming Cross, this novel is a recreation of the colorful events of Constantine's life in the turbulent Roman world of the 3rd and 4th centuries.

I WENT TO THE WOODS. Austing. Here is an account of adventures among the birds of North America, a book which reminds one of Gavin Maxwell's RING OF BRIGHT WATER. Photos by the world-famous bird photographer—author help to complete an absorbing book.

New Look For 1966 Rambler

"I Love It," was the announcement, most people gave concerning the '66 annual. This year the Journalism class produced a REALLY different annual.

With the aid and direction of Mrs. LaFlam and Mr. Ron Blens of Taylor Publishing Company, the class formulated a theme, worked it up, and layed out 200 pages, eight more than last year's annual.

The major change in the yearbook, of course was the cover. From a soft, padded cover, the new annual is a hardback with a heavily textured, green "Rhino-ceros" finish. Since the hardback is less expensive, the new plate was cut with an antiqued, metal-leaf crest in the lower right hand corner and "RAMBLER 1966" across the top. A third change was from a \$50 picture of the school on the end sheets to a standard company sheet which is a picture of a bonfire.

Three students outside of Journalism class deserve recognition and thanks. Pat Gilbert, who wrote the poem on the last page of the Rambler; Eddie Goss, who drew the pencil sketch of a ram on the first page of the annual; and Leslie Cowart, who took many of the action snaps in this year's annual. The class also thanks Mr. Averill for his cooperation and interest.

The approximate cost of the annual was \$4500. Without the support of the community businessmen, students and teachers this money could not have been raised. A \$4500 yearbook is a pretty big production for 21 teenagers. We hope you are pleased with our efforts.

After receiving her B. S. degree at Troy State, Mrs. Goggans came to Belle Glade in 1963. She is head of Girls Physical Education Department, sponsor of Variety Cheering squad and sponsor of Pop Club. At present, she has taken the responsibility of cheerleading try-outs which will be held May 27.

Because Mrs. Goggans likes all sports and especially likes outdoors and enjoys teaching physical education, she lists as her favorite pastime "teaching," yet you can usually find her instructing the girls to "get quiet and line up."

Students Of The Week

The students of the week are Elizabeth Ann White and Michael Walker Silver. Elizabeth, known as Libby, is a 5' 4", light brown haired, blue-eyed senior. Libby's favorite pastime is working on a crossword puzzle, her favorite saying is "Time will tell." She is fond of blue, and drives a blue '58 Rambler, enjoys

Home Ec., and her favorite sport is baseball. Libby belongs to Pop Club Beta Club Student Council, and is President of her M. Y. F. group. In addition to these privileges Libby is a variety cheerleader and at this time is coaching aspiring cheerleaders for tryouts. The Haydon Burns Scholarship was recently awarded to Libby from the faculty and she was chosen to receive the superlative of Most Service to the school from her classmates. She was also chosen to speak at graduation.

After graduation she plans to attend P. B. J. C. and study speech therapy. Mike Silver is a curly headed athlete. He played linebacker for the Rams and threw the shot-put during the track season. To keep his "massive physique" in shape he lifts weights. His hobby is farming. Mike belongs to the Interact and Beta Club. His favorite subjects are Trig and book-keeping. The record "King of the Road" and the colored red are other favorites. Mike drives a white Falcon-Sprite and was chosen as Best All Around and Most Dignified by his senior class. In the fall he plans to attend either Troy or Abraham College.

Monday Is Memorial Day

Memorial Day is the day of honoring those killed in war and war veterans. Since it is a legal holiday there will be no school Monday, May 30. Memorial Day was first held in various Confederate States during the Civil War and the custom soon spread to the Northern States.

Love Was In The Air

Love is a many splendored thing, isn't it? That was the theme of our annual Prom, which was held the 19th of May. The banquet was pure enchantment with blue carnations, fortune cookies and numerous souvenirs. I'm not sure all the seniors were dry-eyed with the singing of "Twilight Time" by Kathy Ferguson and Teresa Wilder. The theme song "Love Is A Many Splendored Thing" sung by Laura Livingston, Jorgi Crews, and Ronnie Smith, was equally well-done.

The Prom will never be forgotten because it was unusually beautiful and well-designed. As we passed through the lovely entrance the sight of pink, blossoming trees and the Chinatown murals covering three walls was a "many splendored" sight itself. The music was delightful, the grand march a confusion of excitement, and the formal and tuxedos very dignified.

This year and this Prom will stand out in the minds of the 1966 seniors and they would like to express their sincere gratitude to the seniors of 1967 for a wonderful Prom.

The Future Teachers of America held their annual Cadet teachers program last Thursday, May 19. There were nineteen cadet teachers present. Kelli, past-president headed over the meeting while Mr. Ronald Whitehead installed the new officers for the 1966-67 school year: Doris Willis, Secretary; Kathy Morris, Treasurer; Kathryn Smith, Historian; Wilma Kirshman, Student Council Rep. The Parliamentarian will be elected next year.

The meeting was then turned over to the new president, Jane Zump. The cadets then gave their reports. Brenda Kelley, retiring president gave the closing remarks. The meeting was then adjourned and all enjoyed some refreshments.

FFA Honors Parents With Banquet

The annual FFA Parents-Son Banquet was held Friday evening in the high school cafeteria. President Ronald Shurley was toastmaster. The program began with the Charter officers giving the opening ceremony, Duane Stokes, the welcome address and presentation of sweetheart, Pat Lane. Dennis Partin initiated into the chapter as honorary member for his agricultural contributions to the chapter.

Chapter plaques were awarded to Duane Stokes for Crop Growing; Dennis Partin for Farm Mechanics; Myron Mansfield for Livestock Production; Gus Roberts, Star Greenhand; Don Campbell, Chapter Farmer; and Ronald Shurley, Star Farmer.

Mrs. Litchfield was presented a corsage for her contribution toward the banquet, and the cafeteria ladies were presented candy for their work.

Mr. Morris commended the Future Farmers for their year's work. The closing ceremony marked the end of the evening.

Ouch, My Wallet!

From the first of this long Senior Year Expenses have brought pain. They hit us once, they hit us twice. And make us dig again.

By now my wallet, tired and torn, is wretched beyond repair. Not only have I lost my coins, But also half my hair.

Go down and see the M. D. kids. The Top Brass did assist. So doing thus and paying much, My wallet it did hurt.

And wanting not to be cast out I patronized ball games. Oh yes, my pleasures were also there. But my wallet burst into flames.

Now when my funds were lowest, And the Senior Prom drew near, could not go; I had no dough. My wallet hid in fear.

Then, moan, the terrible agony. At the annuals game. I told my folks, "No cash, no books!" But they said, "What a shame."

Alas, came invitations, Which added to my debts: Then caps and gowns they did arrive And doubled my regrets.

If any one who's read my ples Could help me my debts surpass, Send cash or check to "A Financial Wreck." In care of the Journalism Class.

Who Is It?

Connie Van Camp — I don't know I've never seen it before.
Patricia Barron — Let me see is it Larry Norman.
Jimmy Altman — Boy or girl I think it's Larry Norman.
Libby White — I don't know who that is.
Patricia White — You say it's a freshman! Gosh I don't know would it be Kirby Norman?
Do they look like that, I don't know.
Karen Harris — Those eyes look familiar. Is it a boy or girl? She's a freshman. Does she run around with my sister?
Duane Stokes — It's a freshman boy and his name is punk, sure does flat feet.
Debby Wedgworth — Its too fat to be Terry Lee.
Pam Whitlock — Look at the fat face.
Cynthia Thiebaud — Sure it's a freshman. She's my neighbor's sister.
Aggie Gressinger, who is vice-president of your class and a "B" team cheerleader.

Plans For Summer

Some four mace industrious students have already laid out their plans for summer. Other than the usual eat and sleep ambition for most, here are some of the most unusual.
Diane Sheehan — is going to art camp in Tallahassee.
Brenda Prevatt — plans to become a beach bum.
Mary Kate Ponder — is planning her last summer with the peaches in South Carolina.
Karen Harris — is heading for Kansas City via New Orleans for the month of June.
Ivan Willis — "I'm going to a lot of places to chase A LOT of women."
Libby White — Wants to work!
Pam Whitlock — is going to North Carolina and St. Louis.
Duane Stokes — hopes to spend his summer hunting, working on the S & S Inc. Farms and going the field.
Mary Sullivan — is going to the woods camping and to the beach.
Barbara Warren — is headed West looking for all the young men that are supposed to be out there.
Michael Shiver — "I imagine Duane will have me working on my half of the S & S."

—Who's Who In The Glades—

This section dealing with outstanding citizens of the Glades area is an attempt to set in print the position these citizens occupy in the eyes of their neighbors. No one wrote of himself in this section. The material was gathered by Bob and

Bill Bullard as they found conditions—

Robert J. Nelson

During the time Mr. Robert J. Nelson has served the people of the Glades and they've become his friends they like him as a person and do not hesitate to commend Lake Shore TV Inc., at 165 W. Ave. A. Even so, he does not depend upon the good will of the community for his success, but continuously improves the facilities to afford better service. Knowing that today's more complex farm radios & TVs need better service, Mr. Nelson provides special tools and the latest equipment to expedite the work of the repairman. That is why they say that if it can't be repaired at Lakeshore it's better to trade it.

This man has, through hard work and honest dealings gained the respect and goodwill of the community so his diligence in striving so hard to uphold this good reputation deserves our acclaim. Just as a nation is kept strong by building strong communities so a community's well-being is determined by the calibre of its business establishments and we place this Robert J. Nelson dealer, high on the list of those doing more than their share along these lines.

A. I. Davis

The old saying of "if you build a better mousetrap" is not necessarily true in this day and age, especially if you are in the house making business. You must also add that pleasant courteous service, and the latest in equipment must be added to your business if the people are to "beat a path to your door."

Seemingly to realize this, Mr. A. I. Davis, not only maintains modern equipment but also insists that every customer receives the ultimate in courteous service.

Alvis Davis knows this business from A to Z. His knowledge of building wood with his "small town" type hospitality has made this business prosper under conditions that would have discouraged a less experienced man.

We need not wish him luck with business, for he has already proven that he does not rely on that commodity to prosper.

Andrew Mollo

A successful business is most often based on honest, cheerful and efficient service to the public, and in making this statement one of the people we have in mind, is Mr. Andrew Mollo of Ace Liquors at 250 S. W. 5.

The courtesy and service rendered by this package store business is proved by the large volume of repeat business that it has, much of which is due to careful attention to each patron's needs.

Business establishments such as this have done much to make this a friendly area and it is fitting that we extend congratulations to Mr. Mollo who is the guiding influence behind the business. He has earned success by the method in which he has accepted both business and civic responsibilities, and we are sure that with the high standards he has set

for himself in the operation of business that he will continue to prosper.

Lawrence Padgett

People who never spare themselves in their aggressive march forward and who gain the respect of their business associates, and friends are a definite asset to a section and the Glades area has many such people in its midst. Mr. Lawrence Padgett, Harvesting Contractor at 543 S. W. 14 St. has these qualities and is therefore deserving of mention in this review.

Mr. Padgett's prominence as a harvesting contractor has brought much favorable publicity to Glades and has aided much in the general advancement of agriculture in this section. Despite the countless details involved in the operation of this business, Mr. Padgett has never failed to help on projects he felt were beneficial to the area.

He has not won, he has earned the reputation of being one of the more successful harvesters in this area.

Frank Belk

Sam Belk

Frank and Sam Belk of Palm Beach County, Florida, have distinguished themselves among those "in the know" about flying. Their extensive training and pricing of right licensing tests has not only accredited them as inspectors but has made their service they offer the first in to be found anywhere.

With a business that features 24 hour service, lighted runways, the sale of 80 & 100 octane gasoline they recall in flight instruction, charter service crop dusting and complete aircraft and engine repairs.

Frank and Sam are two men who deserve commendation not only for their fine performance in business but also for their fine attitude regarding the section's growth and prosperity. These men heartily endorse any movement that unites Pahokee and Belle Glade, efforts aimed at benefiting both cities and therefore the entire Glades.

Frank Belk and Sam Belk may well be considered valuable assets to the section Pahokee has one of the finest service and because their fine spirit and cooperation marks unselfish desire for the area's good.

Richard Mole

Melvin Rozier

Eminent figures in the world of business are Richard Mole, Manager and Melvin Rozier, Plant Supervisor of Hector Supply Co., at 740 N. W. Ave. G, who have become highly regarded in the Glades area.

Despite their full business life, they have continually performed numerous roles in community affairs ever sincerely alert to aid in solving civil problems.

The name Hector Supply Co., has become synonymous with the finest in growers supplies, fertilizers, seed and insecticides and

people have come to look to this establishment with assurance that they are receiving the finest to suit their need and budget.

Dick and Melvin have accumulated a following of discriminating clientele who admire their type of business management and are eager to praise their endeavors. They have earned the loyalty of their friends; and have attained their position in the community, because they have responded quickly to the task of becoming better than average business people in a better than average community.

Nolan "Bud" Allen

This well known citizen of Belle Glade is referred to by many friends as "Bud" and few are playing so active a part in the section's development as he is in a friendly business standpoint.

A large part of the success of the S&S Service (formerly A&R Esso) at 1167 N. W. 16th St. and Bud's Welding Service on E. Z. Across from Fla. Power and Light Co., we believe is due to Bud's wonderful facility for making friends and winning the esteem of his customers. It is perhaps because he takes an interest in other people and appreciates the patronage extended his business.

It is reported that Bud has operated Westside Esso and Bud's Welding Service, he has been keenly observing and alert to the condition and needs of the community and has taken a pronounced interest in the section's growth in matters affecting the welfare of this section.

Belle Glade is indeed fortunate to have such a qualified person as a key figure in its business life, and there is no better assurance of continued prosperity and growth for the area than to have friendly business people like Nolan "Bud" Allen.

Jack L. Biltz

A section's beauty depends upon the beauty of its buildings and those business men whose interests are allied to the building trend have had a "keep 'em on their toes" to meet the increasing demand for speed, quality and service. One of the most important is the lumber supply business and Jack L. Biltz has one of the finest in this part of the state, Big Lake Lumber Co., Inc. at 2571 E. Main is under the capable direction of Jack L. Biltz who builds and contractors attest as being unsurpassed in his field.

Realizing that the quality of building materials spells the difference between high and low maintenance cost, it therefore spells the difference between a well maintained and a shabby community and Mr. Biltz deserves acclaim for his part in the area's welfare and beauty. It Big Lake Lumber Co., Inc., customers receive a fair analysis of their needs and save on all kinds and sizes of top grade lumber cut expertly to specifications. We look for this same good service from this same good man for years to come.

Thomas J. Chancy

Mr. Thomas J. Chancy at 1841 N. W. Ave. L has learned the true character of the excavating contracting business and his knowledge combined with his vast experience render valuable service to the people and builders in the area.

As Patrick Henry once said, "I have but one lamp by which my feet are guided and this is the lamp of experience. I know of no better way of judging the future than by the past." So the people and builders of this area have come to depend upon Mr. Chancy because they know the forces which have fashioned and developed this business.

Thomas Chancy as an excavating contractor is making substantial contributions to this section's welfare, progress and beauty. We are happy to include him in this review, for he has set the

principals by which his business is operated and his business with a modern outlook combined with unforgotten lessons, is certain to prosper.

Paul Younger

A businessman that offers a service to the general public must have a certain extra ability and perspective in his mode of operation, for the intangible may only be sold by man's ingenuity or by past records. Therefore Mr. Paul Younger of Reliable Tree Service at 263 Bonita Dr. Pahokee is a man who has proved can very successfully operate this business and should receive special acclaim. Establishing this business with a basic foundation of offering the very best in tree service and a complete spray service at the lowest possible price to realize a fair and honest profit, Mr. Younger has endeavored to be a route to success and has built a business to which the Glades can point with pride.

Although not ostentatious in his contribution to civic ventures, Paul can always be depended upon to contribute to any plan for overall city advancement.

We congratulate Paul Younger for his contribution to progress by being a good businessman and for being a good tree surgeon.

J. P. Collins

Ruth Collins

Few businesses are playing so active a part in this section's development from a tourist standpoint as Carlton Courts at 9 N. W. Ave. D.

Mr. J. P. Collins and Mrs. Ruth Collins have taken a pronounced and well-posed position in community affairs and have done everything within their power to be of service to the tourists. This same position has been taken in serving the needs and desires of the guests of this hotel.

The success of Carlton Courts we believe, is due to The Collins ability to make a stranger feel at home when visiting them & because of this, many have made this area their home.

The Belle Glade area is fortunate to have such friendly people at the Gateway to the city so to speak, where newcomers are sure to get a wonderful first impression.

The Collins role as ambassadors of good will is going much to further this same good public relations.

Chester Batchelor

The picture of progress in Pahokee would be incomplete without Chester Batchelor of Life Insurance Co. at 155 Broadway, Pt. Rd., because the substantial insurance counselor provides a vital and important service to the community.

Just as those in this area who are ever looking for the way to financial success know that an adequate program of insurance coverage is a necessity, they also know that from Mr. Batchelor they get honest answers, in plain language, from a man who knows every phase of the insurance business. He is firmly established in the Glades area, regards his clients as friends and neighbors and therefore takes pride in providing exactly the type insurance needed, in accordance with the desire and the budget of the customer. Just as Chester Batchelor has always been a credit to the insurance business so has he been to the Glades area.

W. Earl Byrd

Belle Glade owes much to those progressive citizens who are taking an active part in the growth and expansion of the city, and who have helped make it a complete business center for many miles around. In mentioning some of these people, it is only fair to include Mr. W. Earl Byrd, General Manager of Hendry Tractor Co., on E. Palm Beach Road. His knowledge of Ford and

District 10 Presidents, Officers

Presidents and high officers of the many Junior Women's Clubs represented at the District 10 Juniors Day held Thursday at St. Lucie County Club, included, from the left, seated: Mrs. Roger Neach, Vera Beach; Mrs. H. W. Hanson, District director, Boca Raton; Mrs. David Livingston, Lantana; Mrs. Lorne Hulme, West Palm Beach; Mrs. Karl Tucker, Stuart; Mrs. Robert Shirar, Jupiter; Tequesta: Mrs. Thomas Ryan, Boca Raton; Mrs. Charles F. Hunt, St. John River Director, Tampa; standing, Mrs. Ronald Williams, Port St. Lucie; Mrs. Robert Hooker, Belle Glade and Mrs. Ronald Koptenhofer, Fort Pierce.

ments plus experience in this line has brought him to the forefront in this field. Earl deserves our sincere praise and these few words of commendation are but a just recognition for many activities conducted on behalf of the welfare of the community in business activities.

The honest and successful conduct of his affairs is not only a strong reflection of his character, but has been a strong factor in maintaining him and Hendry Tractor Co., in a position of leadership in his field.

We trust as General Manager of Hendry Tractor Co., W. Earl Byrd will continue to serve the growers and farmers in the Glades area for years to come.

C. W. Kendall

The direct progress of the Glades can be largely measured by the activity of the men in business allied to the building profession and builders play an important role. Therefore we are happy to record Mr. C. W. Kendall of Kendall Rivers Co., at 16 W. Ave. A, the credit he deserves for his progressiveness during this rapid period of growth.

The Collins role as ambassadors of good will is going much to further this same good public relations.

High School Graduates Mass June 5

A High School Graduation Mass is announced by Msgr. Jose M. Juaristi for graduates of St. Philip Benard and St. Mary's Mission. Mr. Dan McCarthy of Clewiston will be the guest speaker at the breakfast,

following the Mass to be said on June 5. Invitations have been sent to the following graduates in Belle Glade: Joyce Kirchman, Ellen Keesee, Mike Wilson, Eddie Guzman, Martha Sanchez, Sara Fernandez, Linda Spooner, Yvonne Lockmiller, Carlos Michelena, Jose Fernandez, Tony Latour, Philip Webb, Danny Dexter.
